## DOMINION ORDERS IN COUNCIL.

P.C. No. 327.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 15TH FEBRUARY, 1932.

THE Committee of the Privy Council have had before them a report, dated 16th January, 1932, from the Minister of the Interior, submitting:—

That by an Order in Council dated the 21st day of October, 1925, P.C. 1876, authority was granted for the issue of patent to the Canadian Pacific Railway Company for certain lands for right-of-way and extra land for operating purposes at Field, within Yoho National Park, in the Province of British Columbia, as shown upon a plan recorded in the Department of the Interior under No. 30443.

That it was found that some of the boundaries of these lands were in conflict with the adjoining boundaries of lands which had been patented to the Canadian Pacific Railway Company at various times between 1890 and 1918, and that in order to overcome this difficulty and have the titles to all the Company's lands at Field conform to the plans of the latest surveys, the Company has transferred to His Majesty in the right of the Dominion by a deed dated the 14th day of April, 1928, all the remaining lands it owned under these former patents, on the understanding that a new patent would be issued to the Company for the said lands, as shown on the plan of survey thereof recorded in the Department of the Interior under No. 37572.

The Minister is of the opinion that this application should receive favourable consideration, and therefore recommends that, under and by virtue of the provisions of section 6 (2) of chapter 33, 20-21 George the Fifth, authority be granted for the sale of the land described hereunder to the Canadian Pacific Railway Company for the sum of one dollar.

*Description.*—All those parcels or tracts of land in the Twenty-eighth Township in the Eighteenth Range, west of the fifth meridian, in the Province of British Columbia, comprising parcel lettered "V" in the South-east Quarter of Section Seventeen of the said township, containing by admeasurement fourteen and forty-nine hundredths acres, more or less; parcel lettered "W" in the North-east Quarter of said Section Seventeen, containing by admeasurement fifteen and ninety-two hundredths acres, more or less; parcel lettered "X" in the said North-east Quarter of Section Seventeen, containing by admeasurement seven and twenty-hundredths acres, more or less; parcel lettered "Y" in the said North-east Quarter of Section Seventeen, containing by admeasurement two and ninety-one hundredths acres, more or less; and parcel lettered "Z" in the said North-east Quarter of Section Seventeen, containing by admeasurement eleven and thirteen hundredths acres, more or less, as the said parcels are shown outlined in pink upon a plan of survey of parts of Sections Eight and Seventeen in the said township, signed by J. Lonsdale Doupe, Dominion land surveyor and British Columbia land surveyor, on the 25th day of August, 1930, approved and confirmed at Ottawa on the 13th day of November, 1930, by Frederic Hatheway Peters, Surveyor-General of Dominion Lands, of record in the Department of the Interior under No. 37572, a duplicate whereof is on record in the Land Registry Office of British Columbia, Nelson Land Registration District, at Nelson, British Columbia, under No. 1739; the lands herein described containing by admeasurement together fifty-one and sixty-five hundredths acres, more or less.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE,  
Clerk of the Privy Council.

To the Honourable  
The Minister of the Interior. 1920-fe25
